Terms & Conditions

1. **Job wise Terms** System will be developed and deployed to Synesis IT local server by September 2023 for a successful UAT session for the client. Full developed system will be deployed in production server by 15 October 2023.

2. **Work Order Value and Payment Terms:**

Total Work Order Value: BDT. 30 lac.

50% of the total amount will be made monthly from September 2021 to December 2021

First monthly payment (BDT 500,000) will be made on 25 September 2021 after successful satisfactory deploy to Synesis IT server.

2ND monthly payment (BDT 350,000) will be made on 20 October 2021 after getting the satisfactory feedback from the client.

3rd monthly payment (BDT 350,000) will be made on 20 November 2021 after the full project delivery with successful UAT to the client.

4th monthly payment (BDT 300,000) will be made on 20 December 2021.

Rest of the 50% of the contracted amount will be paid after accordingly on received of payments from Skill Development for Mobile Game and Application Project, ICT Division. Technolyze (BD) Limited will complete and deploy the assigned work successfully and cooperate fully to meet customer feedback. Both companies (Synesis IT Limited and Technolyze (BD) Limited) will be jointly liable for any type of catastrophe.

Provided that if the client rejects the project or payment against the work order, the financial loss will jointly bear both companies and the Technolyze (BD) Limited will repay the 50% advance payment (BDT 15 lac) to Synesis IT Ltd.

3. **TDS and VDS as per applicable laws.**

Shohorab Ahmed Chowdhury

Managing Director

Synesis IT Ltd.

Dear Stephanie and Rohan,

We are pleased to submit our quotation for the development of the Waste Sync CRM platform, tailored to meet the unique needs of your business. We understand the critical importance of streamlining secretarial tasks, improving document management, and ensuring regulatory compliance, especially for businesses operating in regulated industries. Our team is committed to delivering a robust solution that enhances operational efficiency, ensures compliance, and supports future scalability within the agreed-upon budget.

Project Overview for Waste Sync CRM Platform

Project Name: Waste Sync CRM Development

Platform Purpose: The MVP version of the CRM software designed to streamline secretarial tasks, improve document organization, and enhance customer management, with a focus on waste management industry in New Jersey, USA.

Future Expansion: Features like asset tracking, real-time business management, and a multi-user interface tailored for different roles (owners, lawyers, etc.).

Key Features and Modules

1. Document Organization and Management

- o **Regulatory/Business Document Storage:** Efficiently manage regulatory documents required by the New Jersey Department of Environmental Protection (NJ DEP).
- o **Document Access & Retrieval:** Seamless access to important documents, with easy search and categorization.

2. Compliance and Reporting

- o **Regulatory Compliance Tracking:** Track compliance with NJ DEP regulations, including document expiration dates and submission deadlines.
- o **Reporting & Analytics:** Generate compliance reports and operational performance metrics (if applicable) to ensure smooth business operations.
- 3. **Customer Management Portal**
 - o **Invoicing:** Generate invoices in pdf format
 - o **Contract Management:** Manage contracts with customers (with a basic templated version for the MVP)

Future Enhancements

1. **Asset Tracking**
 - o **Asset Management Module:** Track business assets (e.g. trucks), their locations, disposal center activities etc.
2. **Real-time Business Management Features**
 - o **Integrated Communication Tools:** In-app messaging and notification systems to facilitate communication across different user roles.
3. **Multi-user Interface (Future Enhancement)**
 - o **Role-Based Access Control:** Different levels of access for stakeholders (owners, lawyers, etc.) with the ability to manage permissions.
 - o **Custom Dashboards:** Customizable dashboards for each user role, offering relevant insights and operational data.

Project Phases & Timeline (total completion time 3 months)

- **Discovery & Planning**
 - o Define/discuss business requirements, user stories, and use cases.
 - o Develop wireframes, mock-ups, and prototype of the main features.
- **Core Software Development**
 - o Implement core functionality including CRM features, document management, invoicing, and regulatory compliance tracking.
 - o Integrate OCR technology for document processing.
- **Testing & Optimization**
 - o Perform functional and usability testing.

Estimated Total Project Cost

- **Total Estimated Cost:** USD 33,000 (3-month total timeline)

Payment Schedule

1. **Monthly Payment (in equal three installments): USD 11,000**
 - o First invoice due at the end of month starting November 2024.

Terms & Conditions

- **Scope Changes:** Any changes to the scope will be discussed and may incur additional costs.

- **Confidentiality:** All client information will be kept confidential.
- **Intellectual Property:** All intellectual property developed will be owned by the client.
- **Post-launch Support:** 4 weeks of support to address any immediate issues post-deployment.

We believe that the Waste Sync platform will significantly improve business efficiency, streamline operations, and ensure regulatory compliance. Please review this proposal and feel free to reach out for any clarifications. If the terms are agreeable, kindly sign the approval section and return a copy to us.

PEOPLE'S REPUBLIC OF BANGLADESH Toronto, Canada

[KNOW BANGLADESH](#) • [CONSULATE GENERAL](#) • [CONSULAR SERVICES](#) • [BANGLADESH-CANADA RELATIONS](#) • [MEDIA CORNER](#) • [CONTACT US](#)

[Home](#) » [Driver's License Authentication Certificate](#)

Driver's License Authentication Certificate

Requirements for Driver's License Attestation:

- i) Copy of the Bangladesh Passport or National ID
- ii) 1 passport size colour photograph (45mmX35mm) with white background; not older than 6 months.
- iii) Original Driver's License issued by BRTA, Bangladesh
- iv) Payment by Debit/Credit Card or Bank Draft/Money Order
- v) Copy of a Canadian photo ID i.e. PR card or Driver's License (G1)

Step 1

Download and print the [Driver's License Application Form](#), complete each part of the application and sign.

General Instructions for filling up the Driver's License Application Form

1. Attach a colour photograph (45mm x 35mm) with white background; not older than 6 months.
2. Personal details and Payment details must be filled in.
3. Apply with required documents, otherwise, application will not be considered for the Certificate.
4. Use Tick mark (✓) in the check Box.
5. Pay the Driver's License Attestation fee by Debit/Credit Card at the Consulate or attach the Bank Draft/Money Order with the application form.
6. Paid of Driver's License Attestation fee is non-refundable.
7. The authority's decision regarding Driver's License Attestation is final.

Step-2

Pay C\$40 (Regular Delivery) or C\$60 (Express Delivery) by a Bank Draft/Money Order/Certified Cheque addressed to the "**Bangladesh Consulate General in Toronto**", please see [Consular Fees](#).

Service Recipient Selects appropriate link to apply for the desired service...

Step-3

Please send i) signed Driver's License Application Form ii) colour photograph iii) original Bangladesh Driver's License iv) all required documents as applicable v) Bank Draft/Money Order/Certified Cheque and iv) a self-addressed return envelope by post to:

Consular Section
Consulate General of the People's Republic of Bangladesh
1505-2235 Sheppard Ave. East (Atria II)
Toronto, ON M2J 5B5, Canada

(The Consulate General encourages postal service for Driver's License Attestation)

Step-4

If the applicant wants to submit the Driver's License Application in-person, needs to book an appointment. Please click <https://service.bdcgtoronto.ca> to book your appointment with the Consulate General. During the in-person submission payment can be made through debit/credit card at the Consulate General, please see [Consular Fees](#). The Consulate General of Bangladesh does not accept any cash.

Step-5

If required, the Consulate General may request for an interview to speak with the applicant in-person, in that case the applicant will be notified through e-mail for interview.

Step-6

As soon as Driver's License is authenticated, a Certificate of Authentication (including the original Bangladesh Driver's License) will be posted back to the return address. If applicant wants to pick-up the Certificate in-person, the Consulate General will intimate the pick-up schedule via e-mail or phone.

- ✓ The Consulate General of Bangladesh reserves the right to request for any additional document at any stage of the Authentication process.
- ✓ The Consulate General of Bangladesh reserves the right to withhold any application for further examination.
- ✓ If requires, the applicant may be requested for an interview with the Consulate General of Bangladesh.

The screenshot displays the 'Consulate General of the PEOPLE'S REPUBLIC OF BANGLADESH' website. The main heading is 'Online Application for Driver's License'. Below this, there are two main sections: 'Personal Information' and 'Necessary Documents'. The 'Personal Information' section includes fields for 'Title', 'Document Category', and 'Description'. The 'Necessary Documents' section lists three required documents: '1. NID/Bangladesh Passport', '2. Bangladesh Driver's License', and '3. Canadian Photo ID (PR Card)'. A green 'Add' button is visible next to the 'Description' field. A file explorer window is open, showing the 'Pictures' folder. The file explorer displays various files, including 'MSHC.png', 'MyRecentPassport_SS2765.jpg', 'nbr_tin_certificate_333696417774.pdf', 'NEnd.jpg', 'NIDSmartCardPrintable.jpg', 'OfficePad.jpg', 'OrderImage.png', 'OviSavingsDisputedTransaction.png', 'Parcel.png', 'Passport.jpg', 'Passport.pdf', and 'Print1.png'. The 'Passport.jpg' file is selected, and its name is entered in the 'File name' field. The 'Open' button is highlighted. The background shows the 'Application Document Upload' form with a 'Choose File' button and a 'No file chosen' message. The 'Add' button is also visible in the background.

Projects

STS(Sales tracking System) For Robi Axiata Limited.

-This system is quite massive, and I got the opportunity to work with various modules of this system like device distribution, product distribution, scratch card activation, Retailer Onboarding, etc. Angular, Silverlight, .Net Web API, etc are used for this project.

ERP System for SMC(Social Marketing Company)

-Currently, I am one of the leading developers of this system. We are now giving support to our old Silverlight ERP project and converting it to an Angular-based frontend with a .Net Core backend.

Capture Image Project (Foreign Client)

- This is an Angular-based frontend project having .Net 5 web API as backend. Users can upload their image by using mobile phone/web cam and can upload them by using OTP which sends via SMS and email.

Fare Chart Management (BIWTA)

- This project is a simple fare chart generator an Angular-based frontend project having .Net 5 web API. Where users can input the waterways and distances between them the system will calculate the fare base on given data and generate a downloadable PDF report.

HR and Payroll Mobile App For BAT

- In this project I developed the fronted of this mobile app and Microsoft authentication with Xamarin forms.

Sales and Distribution App For Akash DTH

-This a sales and distribution app .Retail points and distributors are the users of this mobile app .(Xamarin forms and C# web API was used in this project)

Distributor Mobile App For Robi

- This was my first project in this Company and I was the main developer of this application. (Xamarin forms and C# web API was used in this project)
